RELIEF FOR MANY

All Your Stomach Misery and Indigestion Will Be Gone in Five Minutes.

The question as to how long you are going to continue a sufferer from indigestion and stomach trouble is merely a matter of how soon you begin taking Diapiesin.

If your stomach is lacking in digestive power, why not help the stomach to do its work, not with drastic drugs, but a re-enforcement of digestive agents, such as are naturally at work in the stomach.

People with weak stomachs should eat Diapiesin after meals, and there will be no more indigestion, no feeling like a lump of lead in the stomach, no heartburn, sour risings, Gas on stomach or belching of undigested food, Headach, Dizziness or Vomiting, and, besides, what you eat will not ferment and poison your breath with nauseous odors. All these symptoms resulting from a sour stomach and dyspepsia are generally relieved five minutes after eating one Triangul Diapiesin.

Go to your drugist and get a 50-cent case of Pape's Diapiesin, and you will always go to the table with a hearty appetite, and what you eat will taste good, because your stomach and intestines will be fresh and you will now there are not going to be any more bad nights and miserable days for you. They freshen you and make you feel life is worth living.

[Official Circular.]

Indianapolis, Ind., Oct. 7, 1908.
To the Officers and Members United Mine Workers of America:
Greeting—We are in the midst of a political campaign. Every method known to political managers will be used to secure votes for their respective candidates. This is especially true in the attempt to obtain expressions from those holding official positions in labor unions.

I am in receipt of hundreds of letters from men of all shades of political beliefs and from all parts of the United States asking for my opinion of the different candidates or my views upon the issues involved in the political campaign.

The United Mine Workers did not elect me international president to influence your political preferences or how you should cast your vote on election day. You have elected me to direct the affairs of the United Mine Workers. The success of the United Mine Workers and the welfare of its members have and will receive my first and only consideration as long as I have the honor of representing you.

I am not responsible for interviews appearing in the newspapers, alleged to be from me, that I favor any particular candidate. I have declined to make any statement for or against any candidate or issue, nor do I intend to do so. This letter will be my answer to all who ask me for any advice along political lines.

I have the honor to represent an organization of nearly 300,000 members of every known nationality and different political views. We have among our members Prohibitionists, Populists, Independents, Socialists, Democrats and Republicans. From what I know of our members you are fully competent to decide for yourselves what you will vote on election day.

All my time is required to look after the interests of the United Mine Workers. Those interested in the subject matter of this letter will please refrain from writing me in connection with politics if they hope to get an answer.

The United Mine Workers as an organization has been in existence for many years before this political campaign, and we all wish that it may live many years after the present campaign has passed into history and until every wrong of which the miner complains is honorably adjusted. Yours fraternally and for harmony,

T. L. LEWIS,
President U. M. W. of A.

The Esperanto Vote.
[From the New York Sun.]
Oh, why is it neglected so—
The Esperanto vote?
Both parties should awake and, lo,
Immediately take note
And send some cart full speakers out
To tell those people that
Gik metoskik, terrado skowt
Tok mokku vezok zat.

Why are no pamphlets sent abroad,
To each new language sharp,
Some presidential boom to laud
So late, your literary men,
Press agents for the great,
Book neop whoo tikant gen
Bo hunkus ceto tato.

The field is big and yet untitled,
And there great crops will grow
If seed is only wisely splied,
As candidates should know.
So haste, your literary men,
Press agents for the great,
Book neop whoo tikant gen
Bo hunkus ceto tato.

His Unforgettable Speech.

SHOWINGS OF CITY STORES

One of the large department stores has its eastern window in gala colors of Oriental and Floral designs forming a brilliant background for the handsome two-piece tailored costumes and stunning hats in the Gage, Pocahontas, Corday shops. MRS. J. H. CUPPET,
SMITH BUILDING MAIN STREET

Cures Women's Weaknesses.

We refer to that boon to weak, nervous, suffering women known as Dr. Pierce's Favorite Prescription.

Dr. John F. Fyfe one of the Editorial Staff of THE HOLISTIC MEDICAL REVIEW says of Unicorn root (*Hemionus filioz*) which is one of the chief ingredients of the "Favorite Prescription":

"A remedy which invariably acts as a uterine invigorator. It makes for normal action of the entire reproductive system." He continues: "In Helonias we have a medicinal plant which is of great value in the treatment of women's diseases. It is a tonic and a stimulant, and it is a remedy which does not present some indication for this remedial agent." Dr. Fyfe further says: "The following are among the leading indications for Helonias (Unicorn root). Pain or weakness in the back, with dyscrasias; atonic (weak) conditions of the reproductive organs of women, mental depression and irritability, associated with chronic diseases of the reproductive organs of women; constant nervousness (nervousness), due to a weak condition of the reproductive system; abnormal condition of the digestive organs and atonic (this blood) habit; dragging sensations in the extreme lower part of the abdomen."

Of Golden Seal root, another prominent ingredient of "Favorite Prescription," Prof. Finley Ellingwood, M. D., of Bennett Medical College, Chicago, says: "It is an important remedy in disorders of the womb. In all catarrhal conditions and general enfeeblement it is useful." Prof. John M. Scudder, M. D., late of Cincinnati, says of Golden Seal root: "In relation to its general action on the system, there is no medicine in use about which there is such general unanimity of opinion as is Unicorn root. It is a tonic useful in all debilitated states."

Dr. Pierce's Favorite Prescription faithfully represents all the above named ingredients and cures the diseases for which they are recommended.

\$100 REWARD, \$100.
The readers of this paper will be pleased to learn that there is at least one disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case of Catarrh not cured by this remedy. Address: F. J. CHENEY & CO., Toledo, O.
